This week at Walsgrave...

Reception Family Assembly

Our Valentine's Day special family assembly was led by our fantastic Reception classes. The children presented what they had been up to this term from their space-themed work, to what jobs they wanted to do when they were older. There wasn't a dry eye in the lower school hall when the children told their families why

they loved them. The children's big speaking voices and lovely singing was a great end to this half term. Well done Reception!

Humanities Enrichment Day

Today the children have been involved in our Humanities Enrichment Day. The morning started off with a whole-school assembly, led by Miss Moore, introducing the theme to the children. The children then worked in phases, completing a carousel of four different activities, visiting four different countries. The children each took with them their little passport where they coloured in the countries they visited and wrote different facts. As you can see from the photos, the children had a great day!

Good Luck!

Mrs. Freckleton had her last day with us today before starting her maternity leave on Monday. As you can see from this photo, she was fully involved in the KS1 Cake Sale. We wish her and her family all the best and can't wait to meet the new addition! ☺

Can I wish everyone a great half term holiday and look forward to seeing the children back at school on **Monday 25th February from 8:45am.**

KS1 Cake Sale

Today KS1 children have been buying and selling cakes to raise money to fund a special visitor coming in to talk to them about the Great Fire of London after half term. As part of our enterprise strand, we want the children to raise money for some of the events we hold in school instead of just asking parents for donations. Thanks to all their hard work we will let you know how much we have raised next term. Well done to Miss Clarke and everyone involved.

This week in Nursery

This week Nursery have been continuing to think and learn about our bodies. They started the week thinking about eating healthily and then exploring their senses. Our favourite bit was testing out lots of different smells! They have also enjoyed exploring their new outdoor role-play area 'The Wonderful Walsgrave Car Wash'; the Nursery children are the best car-washers you have ever seen!
