

11th February 2019

We have just had a fantastic week-end at the semi-final stage of the national table tennis finals with both our boys and girls qualifying for the finals on March the 23rd at Hinkley.

Our boys played at Blackburn and had an epic encounter in the first match against Bankfields from Middlesbrough. It lasted for two and a half hours and we won 5-3! The second match was even more tense as we were 3-0 down against St. Bedes from Blackburn before we managed a fightback to draw 4-4. This meant we needed a win in our final game against Millway from Northampton, which we did 7-1 and qualified due to our superior sets won record.

Our girls, on the other hand had a comparatively serene journey to the finals at Grantham on Sunday. They defeated Hilderthorpe from Bridlington and St. Peters from Market Bosworth 8-0 and only dropped one end against Withington from Manchester as we won 7-1!

Both sides are really looking forward to Hinkley and will be working hard with our coaches Howard Knott and Paul Johnson to make some marginal gains that will have the most impact on their performance and it also looks like Sam will be back to help coach on the finals and hopefully bring us some luck!

Mr. Walker
