

**Dear Parents and Carers,**

Welcome back to our Spring Term, we are looking forward to our new topic and lots of fun learning!

Our topic this term is **'What would you see on the farm?'**

We have lots of exciting experiences planned for the children including the arrival of some very special eggs in an incubator. We are hoping to welcome our very own chicks to our Foundation Stage as they begin to hatch in the coming weeks!

We will also be visiting Hoo Farm to find out more about the kind of animals that live on a farm.

**Please find below an outline of our weekly challenges.**

**Week 1 – Where does my egg come from?**

**Week 2 – How will the chick get out of the egg?**

**Week 3 – What other animals live on the farm?**

**Week 4 – Where does my woolly jumper come from?**

**Week 5 – Where does my milk come from?**

**Week 6 – What does a farmer do?**

**Reflection – Would I like to live on a farm?**

We have a really busy half term coming up with lots of lovely activities and events, including World Book Day and parent workshops.

Please see newsletters and notices for updates on diary dates for the coming weeks. We would like to take this opportunity once again to remind you that children need to bring their book folder into school each morning. We have a reward system in place within both Reception classes and children that bring their folders every day are celebrated at the end of each week...please help them to remember and have an opportunity to be rewarded. Should you have any queries or concerns please don't hesitate to ask the Reception team.

Many thanks for your continued support,

Mrs. Dickinson, Mrs. Proffitt, Mrs. Bromfield,

Mrs Grocock and Mrs Akhtar.
