Bug hunting at Westborough Woods

Despite the uncertainty in the news regarding Children's Centres we are still open!

If you would like to speak to a Health Visitor at our Child Health Clinic, have some fun in the garden at Play & Learn, or even get help to apply for a new job, we're here for you.

And about those changes....so far we know that Children's Centres will be called Family Centres, there will be two in Guildford. One will be in Park Barn and one in Bellfields.

## Are you thinking of returning to work? training? or volunteering?

Sharon can give you a boost with all of these things and more,

for example: *Design a C.V, Assist with a job application, Practise interview techniques*

Sharon has helped many parents/carers go back to college, start jobs in retail, schools & the hospitality industry.
