Dear Parents/Carers

Once again we are hearing in the news about some very unsavoury issues related to on-line activity, particularly targeting young children on social media sites.

I urge you to follow the advice below to safeguard your child(ren):

- Ensure you know what your children can access online. Monitor their activity very closely.
- Ensure children understand the importance of not giving personal information to anyone they do not know.
- Ensure that your children understand that no-one has the right to make them do anything they do not want to do.
- Use parental controls to keep children as safe as possible.
- Encourage your child to tell you, or school staff, if something has happened on-line to make them feel uncomfortable or worried.

And finally, please remember that social media sites have age limits for a reason.

Many thanks.

Yours sincerely,

Mrs L J Laird

Headteacher
