

All Saints

Catholic Primary School

26th February 2019

Dear Parents/Carers

I have great pleasure in writing to you regarding our recent OFSTED inspection. We experienced a very intense two days during the inspection, but at the same time, it was a great opportunity to show inspectors what a fantastic school we are and what brilliant staff, children and parents we have, who support our school and the work we do.

We have worked incredibly hard and continue to do so, to ensure that your children receive an excellent education both academically and personally, socially and emotionally.

I would like to thank all those parents who took the time to speak to the inspectors, and to those who completed the parent view questionnaires which were incredibly positive and in line with the most recent questionnaires which were completed at the November parents evenings.

I am delighted to announce that All Saints Catholic Primary School has been officially judged to be 'OUTSTANDING' in all categories.

I am thrilled that the inspection team has recognised the high quality of education, and also the hard work and commitment shown by staff and parents working together for the benefit of all our pupils on a daily basis. This is a great achievement for us all.

On behalf of the staff and governors, I would like to take this opportunity to once again thank you for all the support you give to our school. As parents, you are the first educators and by working with us, we can ensure that the children are taught and nurtured to become well equipped global citizens of the future.

Happy reading!

Kind regards

Mrs Hughes
(Super proud Headteacher)
