

Can you run like a cheetah, leap like a frog or bounce like a kangaroo?

This half term, we will be finding out if we can hop, skip, run, jump and bounce! We'll visit a soft play area and jump, wriggle, run and crawl, moving under and over, along and through play equipment. We'll write about our special visit, create imaginative poetry, follow instructions, write information books and design leaflets. We'll take part in a variety of sporting activities and see if practice makes perfect. Film clips, photographs and information books will help us to investigate how animals move, and we'll find out how exercise can affect our bodies. Our maths skills will help us to discover how far we can throw and how quickly we can run. We'll investigate different spheres and create a beautiful, spherical art installation. Our sporting heroes will provide us with plenty of inspiration as we work together in teams and rely on each other to score points and win games.

Design and Technology

- ⇒ Make buggies using wheels and axels.
- ⇒ Forces

Art and Design

- ⇒ Look at a range of artists
- ⇒ Vincent Van Gogh
- ⇒ Pablo Picasso
- ⇒ Andy Warhol

R.E

- ⇒ Islam
- ⇒ Prayer at home
- ⇒ Judaism-Passover, Hajj

Computing

Spring II Year 2 Bounce

English

- ⇒ Non-chronological report
- ⇒ Use the diagonal strokes needed to join letters.
- ⇒ Character and setting description
- ⇒ Narrative/Recount
- ⇒ Letters/
- ⇒ Adjectives, expanded noun phrases, spelling, conjunctions, suffixes and time adverbials.

Science

- ⇒ Explore and compare the differences between living, dead, and things that have never been alive.
