

GCSE bitesize – Physical Education OCR exam board

Teach PE

Tips:

- Make your own revision cue cards with topic titles and keywords.
- RAG rate each card (Red, Amber, Green) and learn your red (weakest) topics first.
- Learn definitions of keywords.
- Learn sporting examples.
- Practice describing and explaining keywords and examples to a partner.
- Test yourself with past exam questions.
- Use homework booklets and cover booklets for extra knowledge testing and exam questions.
- Attempt and then mark your own past papers from google classroom.
