

Dear Parents and Carers

### **Smarty Club and Breakfast Club Fees Increase**

Due to increased running costs the governors and the school have taken the decision to increase the fees for Smarty Club and Breakfast Club. Please be aware that the running costs will be reviewed annually and fees may be subject to change as a result of this.

The fee changes will be applied to all club attendees from **September 2018**.  
The new charges will be as follows (fees are per child, per day):

The Smarty Club has undergone a great deal of development over the last year and we are constantly striving to further improve standards and to increase the capacity of the club in order to be able to offer this provision to as many families as possible. The club is, as you know, very popular and oversubscribed. We feel that what we offer represents excellent value for money and even in light of the price rise, the cost is below the rates charged by many other local providers. The decision to increase fees has not been taken lightly and we appreciate that this may cause difficulties for some families. If your child currently has a place in Smarty Club and you feel that the price rise will be prohibitive to their ongoing attendance please make an appointment to speak to Mrs Macdona.

Yours sincerely
