

CHESTER PARK
JUNIOR SCHOOL

27th February 2019

Dear parents/carers

You may have seen in the news that a very upsetting “game” called Momo is targeting children. It starts by challenging children to communicate with an unknown number (often via WhatsApp).

Momo then sends disturbing violent images and “orders” (dares). If children refuse to follow the orders, threats are made.

This “game” challenges children to self-harm and to take their own lives.

The advice from police is:

- Ensure you know what your children can access online
- Ensure children understand the importance of not giving personal information to anyone they do not know
- Tell your children no-one has the right to make them do anything they do not want to do
- Use parental controls to keep children safe

If you have any concerns regarding this or other aspects of online safety, which you would like to discuss, please contact the school.

Kind regards

Claire Woolley
