

Spring Term 2019

Newsletter 2

Welcome back to everybody, we hope that the warm weather made the half term break very enjoyable. A very different picture to the weather a year ago!

The previous term saw the children taking part in some interschool's sports competitions, where they did very well and made us proud of their behaviour and sportsmanship. Teachers have also reported that the progress for those children who have been swimming over the past two terms has been excellent.

We have lots to keep us busy over the coming term including World Book Day, Science Week and a visit to Woodside Wildlife Park for Years 2,3,4. Next week we have a visiting Judo company coming in to inspire the children and later in the term they will get to experience Tri Golf.

The School Council are organising an Easter Activity night closer to the end of term, so look out for further information on that and of course we will finish this term with our Easter Assembly and Diorama competition, which we all look forward to.

We are aware that some nasty challenges (MOMO challenge) are hacking into children's programmes.

Challenges appear midway through children's YouTube, Fortnite, and Peppa Pig to avoid detection by adults. They are also being shared on WhatsApp and Facebook. Please be vigilant with your child using IT, images are very disturbing. If parents follow the link below they can access advice on keeping children safe. <https://nationalonlinesafety.com/resources/platform-guides/>

WEBSITE: www.tedder.lincs.sch.uk

As always can I encourage parents to visit our website which has a great deal of information contained therein. Letters, menus, event photos, Topic Sheets, performance data and curriculum information are all available to keep you up to date with School life.

In addition, I would like to draw your attention to our Safeguarding Policy which details the importance we place on children's safety. Here you will also find information about how you can contribute to the safeguarding of children and how to report any concerns. The E-Safety policy is also there to keep you informed about the best way of keeping children safe.

Below are the important dates for next term, but I would like to draw your attention to the following:-

8th March - World Book day - on this day the children will be invited to come into school dressed as a character from a book. We do not expect lavish costumes, just a discussion about characters and how they might dress, then allow the children to be creative.

25th March - Stay and Play for reception children at 9.15am and Open Afternoon for Years 1,2,3,4,5,6 at 2.30pm. You will be invited in to see what the children have been learning.

27th and 28th March - Parent's Evening - Letters will be sent out well in advance and we will always do our best to accommodate family appointments together.

5th April - Easter Assembly at 9.15am and diorama competition - all welcome. The children will be invited to create an egg diorama depicting any scene of their choice and prizes will be available for first, second and third place.

Diary Dates

March

- 4th Book week
- 6th Judo Workshop
- 8th World book day
- 11th Science week
