

Year 1 HOME LEARNING Spring 2

Maths

Practice counting groups of objects to 20 in 2s, 5s and 10s. Make sure you move the objects as you count to develop your understanding of what you are doing!

Phonics

At least once a week over this half term explore

<https://www.phonicsplay.co.uk/Phase5Menu.htm>

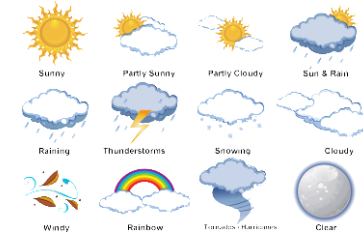

at the phase 5 level. Record which game you play and the score you get. Remember to sound out the words and make sure you try the different variations of the sounds.

Geography

Keep a weather diary for the week monitoring the weather when you get up in the morning and when you get in from school.

Does it change?

What do you notice?

English

Choose an animal poem or rhyme to learn off by heart and perform to the class week commencing Monday 25th March.

Science

We have 5 senses:

- Smell
- Touch
- Taste
- Sight
- Hear

Explore whether there is something that requires us to use all 5 of these senses.

DT (Design and Technology)/PSHE

Make something healthy following instructions.
