

Year 2 - HOME LEARNING - Spring 2

ENGLISH

Can you tell a **myth**?

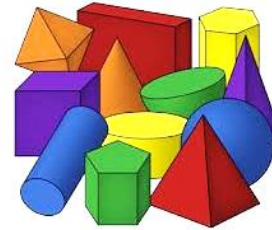

Read a myth which explains something from the natural world. Retell it in any form you like, such as:

- ★ story map
- ★ writing the story
- ★ cartoon/storyboard
- ★ ppt presentation

MATHS

What can you learn about **3D shapes**?

Which ones can you name?
How many faces do they have?
What shape are the faces?
Can you draw a net for a 3D shape?

SCIENCE

What makes a **healthy diet**?

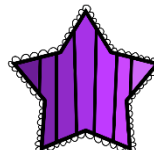

GEOGRAPHY

Can you **compare two locations**?

Choose two places that you know well.

What is similar?

What is different?

ART / DT

How can you make an **animal mask**?

Choose an animal that lives somewhere in Africa and design a mask to be that animal. We will share these on the last week of half term.

SPELLING

Which **strategies** help improve your spelling?

Show how you learn your spellings.

Which methods work best for you?

How can you make sure you keep remembering the spelling?
