**28 February 2019**

Dear Parents/Carers,

I have written an extra newsletter as I am extremely concerned about Internet safety with young children using You Tube. There is something called `Momo` that can filter through You Tube into completely innocent children's programmes/games, including Peppa Pig. I understand that this `Momo` will instruct children to use knives to hurt people and tell them it will kill the family if they say anything. I have attached a leaflet that has more information regarding this and advice for Internet Safety and please talk to staff if you are concerned.

**World Book Day – Dress up day is Thursday 7<sup>th</sup> March donation £1**

**SWEETS**

As a school we promote Healthy Eating. Can I remind you that children should not be having sweets inside school.

If you wish your child to have sweets can they be given outside, please.

**Remember to inform the office if your child is absent  
01992 760779 option 1.**

**Children's Safety**

**Can I remind all parents to close the top gate, children often run ahead of parents and are easily able to reach the road. Please help keep your child safe.**

Thank you,

Yours sincerely,

*Debbie*
