## Mind Maintenance Matters

### Mental Health and Well-Being Conference 2019

Our learning mentor, Mrs Harris, along with the learning for the junior school, Mrs Perry, organised a fantastic conference which was attended by children from eight schools, as well as the Mayor of Knowsley.

The children learned about many different ways to keep their mind and body healthy.

Mrs Nolan, Mrs Harris and eight Year 2 children attended. Mrs Nolan commented that the children were fantastic and got involved in all the activities.

Well done children and a very special well done and thank you to Mrs Harris and Mrs Perry.

## THE MOMO CHALLENGE

Some of our children have been talking about a frightening character who pops up during games and on Youtube called the MOMO. This is a character who dares children to do more and more dangerous things and has been connected to suicide and self-harm, although there is limited evidence for this.

Please be vigilant when your children are playing online or using Youtube. Please follow this link for some useful information <https://parentzone.org.uk/article/three-minute-briefing-momo-challenge>

### PARKING OUTSIDE SCHOOL

It has come to my attention that parents are parking outside school in very dangerous and illegal ways. Parking on the zig-zags, at any time of the day including during breakfast and after school club, is illegal and dangerous.

The zigzag lines ensure that children can enter school safely and that there is access for emergency vehicles.

Parking on the zigzags is selfish and dangerous.  
Please do not do it.

In the lengthening of days,  
Snowdrops emerging,  
from winter's frozen ground.

#### WE SEE THE CREATOR'S HAND

In the sight of a tiny lamb  
joyfully bounding  
across hillside farm

#### WE SEE THE CREATOR'S HAND

Open our eyes to see,  
our lips to praise,  
our hands to share,  
and may our feet tread lightly  
on the road that, together, we  
travel. AMEN
