BOOK WEEK

This week we have been lucky enough to have several authors visiting the children. They read from their books, shared some of the inspirations and ideas for their stories, and during class workshops gave the children opportunities to think about characters and situations they could use in their own writing. We are very excited about continuing with our book celebrations next week!

GREEK DAY

Children in Year 6 had a great time on Wednesday; you may have seen some Ancient Greek children wandering around the school and even along South Ealing Road! From a very entertaining visitor they learnt about lots of aspects of Ancient Greek history. They will be using everything they have learnt in their English lessons next week. When children have great stimulus they produce great writing!

TRIPS

Grange children have always been very lucky to be taken on some interesting, educational and fun trips. This week was no exception. Year 1 visited London Zoo and enjoyed the glorious sunshine of earlier in the week. Year 3 visited Verulamium Museum as part of their learning on the Romans.

ENERGISE FAMILIES

Families with a child aged between 5-10 years can access free support to develop an active lifestyle. For more details, contact 07714 747 089 or email kathleenm@familylives.org.uk. For more information visit www.familylives.org.uk

E-SAFETY

Ensure your child is not accessing Fortnite, WhatsApp or accessing YouTube on their own. A good safety precaution would be to turn off 'auto play' when your child accesses YouTube and supervise their use of any online tool.

BOOK DAY

Remember dress up day is Friday 8th March. I can't wait to see the different characters! Please come along to the Muga at 9-9.45am to watch the children's costume parade. PTA will have a refreshment stall.

UPCOMING DATES

MARCH

7th Skylark class assembly
14th: Wagtail class assembly
21st: Swallow class assembly
28th: Finch class assembly

APRIL

4th: Kingfisher class assembly
