ONLINE SAFETY

It has come to our attention that some of our pupils have been accessing an extremely concerning app on social media. The link below explains the app and the content to you, without me describing the worrying content here. Please can parents take a look at the information and speak to their children to see if they have accessed it. One of the worrying aspects is the threat of what may happen if you tell an adult you have been watching it so your child may deny seeing it or knowing about it.

DINNER MONEY

Dinner money for this half term is £74.80 if your child has dinners every day.
 It would be a great help administratively if payment could be made on time. It is our financial year end on 31st March so all balances should be cleared by this date.
 Can I remind you that school cannot allow dinner money debts to accrue. Text messages and/or letters will be sent home as a reminder.

Zzeducate are offering a workshop for parents of children from 12 months of age.

Our workshops are informative, practical and supportive and you will leave the session with a number of strategies that you will be able to implement straight away. Using a behavioural approach the workshop will empower you to take back control at bedtime giving you the necessary skills and strategies to support your child to settle themselves to sleep, whether that is at bedtime, in the middle of the night or at naptime.

Do any Copley families have unwanted Edwardian outfits left over from the Edwardian event at school last summer?

Would you like to donate them to Calderdale Industrial Museum in exchange for a discounted entry ticket?

If you can help please call into the school office or speak to Liz Robinson (Henry's mum).

Thank you.
