

1st March 2019

WELLS HALL PRIMARY SCHOOL NEWSLETTER

Upcoming Parent/Carer Meetings

We have some meetings and workshops coming up this half term for parents. Please have a look at the dates for your diary for more details.

All nursery to Year 2 parents have been invited to a meeting about Read, Write, Inc; our new phonics programme. A letter was sent out earlier in the week. This is for parents only. We will be repeating this meeting later in the term for those unable to attend.

In Year 2, we will be participating in a drugs awareness workshop for parents and pupils. This is part of Year 2's science unit about how humans keep healthy.

In Years 4 and 5, we have maths workshops for parents and pupils to work together and create an end product using maths skills.

In Year 6, we have a SATs meeting. This is aimed at parents, but pupils can come if they wish.

Dates for Your Diary

Our teachers have been very busy booking some very exciting enrichment activities for your children over half term. You will see lots of new dates!

E-safety

Many parents have expressed concerns this week about the MOMO challenge - please have a read of this [link](#) for more information.

World Book Day and Comic Relief

Next Thursday 7th, we will be celebrating World Book Day where pupils can come dressed as a word - the more ambitious the word, the better! They may be illuminating, fluorescent, athletic, slithering or even camouflaged! They may be dazzling, comfortable or graceful.

The week after it is Comic Relief. On the Friday, pupils will have another non-uniform day - they can share their favourite jokes in class and the best ones will be shared in assembly. Money raised will be shared between Comic Relief and NSPCC. Get your jokes ready!

Please ensure that the children are dressed appropriately (not hot pants, cropped tops or heels).

A deep clean of the whole school took place in half term.
