

Together, we achieve

Class News

<p>Class: Y6K Elm</p>	<p>Class Teacher: Mrs Khalil</p>	<p>Term: Spring 2 2019</p>
<p>This half term we are still starting at 8.30am prompt, which is helping us to improve our learning. We are also using the reward system called 'Woodseats Cash'; we earn cash for being in school at 8.30am, completing all revision homework on time, including handing the reading challenge in on time and demonstrating good learning behaviour. If we earn enough cash we can pay for an amazing trip! We really enjoyed our trip to the cinema last half term!</p>		
<h2 style="text-align: center;">Topic</h2> <p>Our topic for this half term is 'World War II'. We will be researching the timeline of WWII. We will also be finding out where and when WWII started. We will be learning about the Blitz and creating art work based on the photographs from WWII. We will be researching rationing and evacuation and what effect that had on people, children and our country.</p>		
<h2 style="text-align: center;">English</h2> <p>Our class novel linked to topic will be 'Goodnight Mr Tom'.</p> <p>The main genres we will study this half term are narrative and news reports. We will be applying our knowledge of the genres to writing.</p> <p>We are practising our proof-reading skills after we have finished writing to make sure we are reflective learners.</p>	<h2 style="text-align: center;">Maths</h2> <p>In maths, we will be learning lots of different concepts - calculations, area, using formulas, algebra as well as mental strategies.</p> <p>To help at home, it is really important that your child is confident and fast with all multiplication and division facts. This will really help them in many areas of maths. Also, encourage them to complete maths revision. Remember to practise your times tables on TTRockstars!</p>	
<h2 style="text-align: center;">Home Learning</h2> <p>Homework for Y6 is now the revision books, which need to be back in school on Thursday. Reading Challenge books also need to be returned to school on Thursdays. Please encourage your child to participate in some home learning as it will get them into good habits ready for Secondary school.</p>	<h2 style="text-align: center;">Dates for your diary</h2> <ul style="list-style-type: none"> • Tuesday 5th March - Sponsored Pancake Flip • Thursday 14th March - World Book Day • 18th to 22nd March - Science week • Friday 15th March at 9:30am-10:00am - Bring a parent to School reading lesson • W/c 25th March - Reward Trip to Quasar • 13th to 16th May - Y6 SATs week 	
<h2 style="text-align: center;">We need you!</h2> <p>We are enormously grateful to the many helpers who come to assist us in school. No special skills are necessary, just a willingness to give up a little time to help in school. If you are interested in helping on a regular basis please contact us.</p>	<h2 style="text-align: center;">For your information...</h2> <p>PE kits need to be available in school every day. Their PE days are Monday and Friday - it is a good idea to have extra layers of warm clothing available in their PE kits for the cold days!</p>
