all are welcome

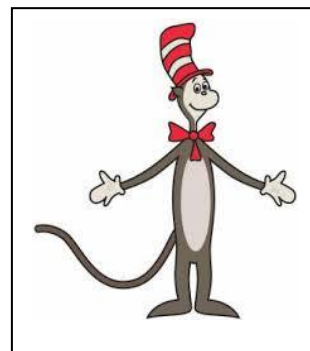

It's Book Week next week! We have a really exciting week to look forward to with lots of events planned. The children will be able to immerse themselves into different worlds, be inspired by amazing characters and allow their imaginations to run riot. A love of books gives children the best possible grounding for their learning, a head start in understanding the world around them and the vocabulary they need to articulate their ideas and dreams. We all want the best for our children – what better way is there than to help them to develop a love for books?

Next week then:

- **Dressing up day** on Thursday 7th March (World Book Day) – Children come dressed as their favourite book character. There will be some prizes involved! We are looking for interesting book characters and well thought out costumes.
- **Spellathon. (Sponsored spelling to raise money for more books for our classes) On Monday 4th February** the children will bring a special home book week spellings to learn. On Friday they will be tested and the more they get right the more money they will raise!
- **On Thursday 7th March (World book day)** we will **Drop Everything And Read** so please make sure your child/children bring in a book to read on their own.

- There will be a '**Book Swap**' on **Friday 8th March**. If your child has some old (excellent condition) books at home they have read and enjoyed, they can exchange them for up to that number of books at our Book Swap. They will be given a voucher for the number of books they can have, depending on how many they have brought in. Please choose books that are appealing to all ages in the school.
- There will be **competitions/activities** through the week with winners announced on Friday.
- **Book share for parents**. If there are any parents who would like to come in and share their favourite children's book with the children on Friday afternoon from 2.00pm please let the office know if you are available.

PSA News: The Next meeting is on **Tuesday 5 March at 8pm in the Three Swans**. All welcome.

PSA website: We now have a PSA website for anyone who wants to keep up with our news and events but does not want to join the Facebook group, <http://www.stlouispsa.wordpress.com>. Please do have a look and follow to get updates by email.

Our New Website is now up and running. There are a few glitches I know, but we are repairing them as we go as well as updating any of the materials which might be out of date. Please bear with us as we do this. There is also a Facebook feed on the front page. I am doing the best I can at the moment, as I'm not an expert 'Facebooker'! But the intention is to keep you posted with updates in school and also when we are out and about on school trips, for example when our Year 6 children go to Mill on the Brue in the next few weeks.
