

FOSPA NEWSLETTER

January 2019

We would like to welcome everyone back to school after Christmas and look forward to the New Year and all the events that are already planned.

UPCOMING EVENTS:

FOSPA Cake and Second Hand Uniform Sale

FOSPA will be having a second hand uniform sale on Friday 1st February, straight after school in the hall. This is a great opportunity to buy uniform at just 50p an item. We have a large selection of jumpers, trousers, shorts, PE T-shirts and bottoms.

Book Week

Don't forget to support your child as much as possible with raising money for the Book Week reading challenge.

Fizzy Disco

We have a provisional date for the next Fizzy Disco of 29th March, please note a letter will go out closer to the time to confirm details. This is a great event that all the children love. **Please can we remind all parents, you are only able to stay with your child if you have informed FOSPA you will be doing so.** If you are able to stay and help then we would greatly appreciate it. For Health and Safety and Safeguarding reasons, we cannot have parents, older siblings and other adults at the disco unless they have reported to us. You are able to do this on the reply slip which will be coming out with the Fizzy Disco letter.

Bags2School

Start collecting your old clothes and bedding now! Ask your family and friends if they are clearing out! Bags will come home before half term and collected from school on Monday 29th April. We can also offer a collection service if you contact FOSPA. Please donate anything you can as this is all money direct for the school. If you have more than one bag full, you can use black bin liners.

Mad Hair Day

We will be having a Valentines mad hair day on 14th February, come to school with any crazy hairstyle or hair colour you like, all for a £1 donation to FOSPA>.

Easter Service

Our Easter service this year (date TBC) will include a FOSPA competition again, chocolate tombola and a cake sale, there will be a non uniform day closer to the time for donations. More details closer to the time.

FEEDBACK:

Cinema Trip

FOSPA have had great feedback from this and we hope all the children (and volunteer parents) enjoyed this wonderful trip.
