

## PE Sport Premium Expenditure

**We believe that no child's dreams or ambitions should be limited by social injustice. We will give all of "God's Children" the skills they need as they journey towards their Super North Star.**

### The PE Sport Premium Allocation for 2018-19 is £ 19040

The money is used to provide specialist teachers and coaches. This means that during the school year each class will be taught by a specialist PE teacher. This will result in the children receiving specialist teaching so enhancing their skills and improving their confidence. The specialist teacher also provides an after school club on this full day.

During these sessions the teacher and PE co-ordinator are also involved in working with the specialist teacher so further enhancing and supporting the teaching of PE.

The money is also used to release the PE co-ordinator one day a week to work with teachers so further developing their skills.

The money is also used to provide a specialist coach for an additional 2 afternoons and providing after school clubs free of charge to the children.

- The impact on children is observable with an increase in skill levels.
- A greater involvement in extracurricular activities with oversubscribed after school clubs.
- Increased participation in borough wide sporting competitions.
- Children being introduced to a range of sports not normally accessed in school and receiving specialist coaching in those sports.

### Costings

<b>Coach:</b>	<b>£15,580</b>
<b>Release of Teacher</b>	<b>£4548</b>
<b>Total Cost:</b>	<b>£20,128</b>

### Further Investment Opportunities

- Specialist Sports Equipment so enhancing pupil experiences
- On line coaching to allow for specialist sports provision for pupils and professional development for staff
- Software to encourage reluctant pupils to take more of an active role in keeping health through exercise
- To investigate cost of lunchtime clubs so encouraging greater participation of pupils in sport
