

Dear Parents and Carers,

Please support your child in choosing *at least one* project to complete this half term. If you would like to do more, that would be great!

The final date for handing in projects is Thursday 28th March. The children will then have a celebration assembly where they share projects they have completed at home.

If you have any questions, please ask your child's class teachers.

RECEPTION 'SPRING 2'

HOME LEARNING PROJECTS

Home Learning Challenge 4-

Help your child to make pancakes! Encourage them to use scales to weigh out the ingredients, crack the eggs and mix the batter. What toppings did you try? Were your pancakes savoury or sweet? You might like to pop this in your scrap books.

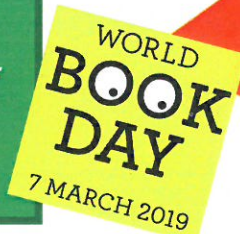

Home Learning Challenge 3 –

Make a board game: draw a ladder or board with a number on each rung or space up to 20. Start at 0. Roll a dice and move along accordingly. What number have you landed on? What number is 1 more than your new space? What is 1 less?

The winner is the person who gets to the end first. Feel free to play again counting back, or extending your board to a larger number.

Home Learning Challenge 1 –
World Book Day! Find your favourite book and read it together. Make a costume of your favourite character ready for ~~Friday~~ 7th March!

Please hear your child read every day and write it in the Home School Learning Book.

Home Learning Challenge 2 –

It's Spring time! Go on a Spring walk with your family – what signs of spring can you see? How do you know it is no longer winter?

Our topics this term involve investigating Spring, pancake day and the Easter story. Our homework activities are linked to these. You may email us if you are unable to print out your work at home:
enquiries@bradfielddunningworth.sheffield.sch.uk

This term, we are looking at number bonds to 10 and moving into teen numbers. We will be reading 'The Big Pancake' and 'The Hungry Caterpillar'. We will be looking at animal babies and the lifecycle of the butterfly. We shall be taking the children to the tropical Butterfly house – letter to follow!

ALERT!! The Bafta-nominated game, Teach your Monster to Read, is FREE on all app stores from Monday 4th March 2019 to Sunday 10th March 2019. This fun game would support your child in embedding their phonics and blending sounds to make words.
