Reception	Daisy Graham
Year 1	Lake District Coast Aquarium
Year 2	Emily Cookson
Year 3	Jaiden Atherton
Year 4	Tyla Collins
Year 5	Reuben Allen
Year 6	Ellie Westley

If you have any **tools at home** which are now unwanted but are in good condition e.g. drills, toilet plungers!!! screwdrivers etc etc please could you drop them off in the office. We are building up a supply of our own in school and this would avoid un-necessary expenditure. I am delighted to inform you that WF Support Services have taken over the cleaning contract in school from this half term onwards and we look forward to building a good relationship with our new company.

Last week was **Science Week** and I'm sure your children have been sharing their work with you, especially the visits they have been on. Well done everyone on your hard work! Don't forget to look on your child's page on the website to find out what they are studying this half term.

There is a pile of **un-named clothing**, school uniform etc going to Oxfam next week if still unclaimed. It can be viewed in the medical room in school up until Thursday and then will be disappearing. Please label your child's uniform.....there is a lot of money piled up there!

Don't forget **World Book Day** is this Thursday....we look forward to seeing a variety of outfits!

We would really appreciate it if you could go onto **Parent View** which is an Ofsted site and, as parents, tell them what you think of our school. It is very straightforward and easy to use.....JUST FOLLOW THE LINK BELOW. Many of you have supported us in the past on this site and as we are due an Ofsted anytime, our last one being January 2015, it is one of the first things they will look at before they visit. Even though you might have been on it before, it automatically moves to a new academic year each September, logging previous data. Many thanks for your support.

This is the **last week for clubs** except for **running** which continues until the end of term and **choir** which runs until Wednesday 20th March.

Do you have any unwanted wool, knitting needles/crochet hooks? If so, Out of School Club would really appreciate these. Many thanks.
