

Dear Parents and Carers,

Please see below this week's notices:

- The **PTA now have their own website** where people can check events, sign-up and share ideas. Please do have a look.

[St Andrews PTA | Fundraising for St Andrew's School in Hove](#)

www.st-andrews-pta.co.uk

Welcome to St Andrew's CofE Primary School Hove PTA, we raise money which allows the school to carry out activities that would otherwise not be possible.

- **Half Term Science Events!**

There is a fantastic programme of events on this half term as part of the Brighton Science Festival. Here is the general link <http://www.brightonscience.com/events/>

As part of this Steve Evans (who will be doing a Space Show for Years 5 and 6 in school after half term) will be doing an Interactive 'Extravaganza' Family Science Show, for ages 5-11 on Tuesday 19th February. Mrs Samuel will be on the door for the first show and would love to see some St Andrew's children in the audience! Hope to see you there.

- Ava H, one of our Year 6 pupils last year, is playing Dorothy in Wizard of Oz at Roedean Theatre over half term (Thursday 21st, Friday 22nd and Saturday 23rd February). For the next couple of days they are running a Valentine's discount on tickets. You can use code LOVE1 to get cheaper tickets at www.ticketsource.co.uk/apolloproductions
- Today is the last day of this half term. We look forward to welcoming the children back to school on Monday 25th February.
- From Monday 25th February we will be asking **Reception parents** to say goodbye to their children at the main school gate so that they can enter classrooms independently. There are always several members of staff on the gate to ensure children come in safely and we will ask some of the buddies if they will also help for the first few days.
- **Year 1** have their trip to Lewes Castle on our return to school. Classes 1M and 1F are going on Wednesday 27th February and class 1BR on Thursday 28th February.
- Please find attached a flyer from BHISS Literacy Team Parents' & Carers' Open Evening - 'Supporting Dyslexia and Literacy Difficulties at Primary and Secondary School'.

Worship Theme

This week we thought about how **hope** can bring people together to do amazing things.

We heard about how the charity 'Off the Fence' live out the hope they have in Jesus by getting 'Off the Fence' to help people in our city who really need it.

'May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit.'

Romans 15:13
