Dear Ruth and David,

We were very pleased to receive the report of the recent inspection at your school which judged your school as good overall.

The report is clear that the school has clear strengths including:
The clarity of leadership you bring to the school; the development of accountability for middle leaders; the self-reflection of the Governing Body and the improvement in the quality of teaching and learning, particularly in Mathematics leading to a real love of the subject from your pupils.

The report is also clear that you know what needs addressing and are taking the steps to do this. We know that such a report is the outcome of huge amount of dedication and hard work by staff, and from careful oversight by governors who give freely of their time and energy.

All the very best to you and your school community as you reflect on all the very positive comments in the report, and also as you move on to the next stages in the school's work on your journey to outstanding.

Very best wishes in the important work you do.

Yours sincerely
