

Handa's Surprise

Come and step inside our Foundation Jungle. The children have worked hard to help turn the unit into a jungle. We will be looking at all the different animals and fruits from the story using a variety of media to make and explore.

Stories for talking

Our story will be '**Handa's Surprise**'. We will use this story to help us develop our:

- Talking skills
- Counting skills
- Sorting skills

We will be exploring and tasting the tropical fruit from the story and seeing which is the most popular. We will be ordering the story and remembering which animal took which fruit. Come and look at the activities in the Jewels room to see what the children are getting up to.

Handa's Surprise

Personal, social and emotional development

We will be remembering to use kind hands and words as sometimes we can forget what it means to be a good friend. We are going to think about what a kind friend Handa was and see what we can do to make our friends happy.

Alliteration

We will be continuing to listen to the first sounds in words but moving on to hearing the same sounds in other words - for example, **ball**, **butterfly**, **bat**, **balloon**, **bucket**.

We will be making up silly names and sentences trying to use the same sound - for example, '**Terry the terrible tall tiger**' or '**Lenny the lion leaped up the ladder licking lollies**'.

Coat challenge!!! This half term to help support the children's independence we are having a coat challenge. I have shown the children how to put their coats on themselves and now we want to see them doing it all week! We will be having a coat chart in the classroom and there will be prizes for children who meet this challenge so please support your children at home and encourage them to put their coats on themselves.
