OUR AIMS

- To offer a range of activities to meet the age range and ability for fun, relaxation and study if required.
- To provide the children with a warm, caring, friendly and safe environment in which they can play and relax.
- To help the children in our care to make positive social contacts enhancing their social interactivity.
- To provide the parents with reassurance and stability, whilst the children are in the care of experienced staff.

HEALTHY SNACKS

At the Breakfast and After School Club children will be encouraged to eat a healthy snack.

If your child has a medical condition or allergy to certain foods/drinks it will be the responsibility of the parent/guardian to inform the staff immediately, so that necessary arrangements can be made.

BEHAVIOUR

All our activities and experiences are appropriate to the children's age and interests, thus reducing the possibility of frustration or boredom arising, which could lead to unwanted behaviour.

Should incidents of unwanted behaviour arise; the After School Club will follow the Behaviour Policy of the school.

Consequences will be dealt with within the After School Club - this will be 5 minutes time out for a yellow ticket and 10 minutes time out for a red ticket. A copy of the Behaviour Policy can be provided on request.

Repeated misbehaviour may lead to withdrawal of the place for your child in the club. We will give you 2 weeks written notice if this occurs.
