

We'll Meet Again

Take Home Task - Spring 2

Your take home task this half term is to research and present your own project based upon the title "Life in World War Two". The brief is purposely wide to allow you to research a particular area of World War Two that you are most interested in and present it in the way of your choice.

Different things you could research include:

- Life for children during World War Two
- War Time recipes
- Bletchley Park
- Life of a soldier
- Life of a politician

Different ways you could present your work include:

- Writing an information text
 - Creating a poster
- Creating a PowerPoint
 - Making a video
- Producing your own wiki
 - Making a model

The possibilities are limitless and therefore you can use your creativity to come up with something really special. Perhaps you are going to film yourself pretending to be Churchill giving a speech or heading to a museum and creating a souvenir booklet. You may work alone or as part of a group.

All work should be completed for **Thursday 28th March** and you may begin bringing your projects into school from **Monday 25th March**.

Good luck!
