

Year 2 Term 4

Marvellous Materials

History

John McAdam- finding out about scientists who have developed new and useful materials and their impact on our lives today.

DT (Linked to Science and English)

- Design, plan and make a paintbrush based on design Criteria from 'Chang'.
- Evaluate strengths and

Music

- Listen and respond to Chinese music- identifying dynamics, pitch and patterns.
- Use chime bars and xylophones to

Computing

Creating an E Book (led by V Attridge ICT 123)

- To use Chrome Books and Book Creator .
- To create their own e book of their Magic Object story from term 3.
- To add images.
- To change font style.
- To change font colour.

RE Unit 4 Is Easter Important to the Church?

Pupils will know the Easter Story and the key events of Holy Week - Palm Sunday, Foot washing and Passover Meal on the Thursday, Crucifixion and Resurrection. They will know that the cross is significant for Christians because of the crucifixion and they will know how some of the other events of Holy Week are remembered by the church. They will be able to talk

Science

- Effect of everyday materials on our planet investigating how we can reduce, reuse and recycle.
- Investigation: Best material for Chang's brush.
- Significant Scientists: John McAdam (see history).

Maths

- Showing division through grouping and sharing, by 2, 5 and 10.
- Identifying odd and even numbers and explaining their properties.
- Length: measuring in metres, and centimetres.
- Comparing length in m and cm.
- Comparing length of lines
- Mass: measuring mass in kg and g.
- Comparing masses of 2 then 3

English

Text Driver The Tin Forest by Helen Ward.

- Write a diary entry for a setting description through the eyes of the main character.
- To use expanded noun phrases.
- To use commas in lists.
- To use past tense verbs consistently.

Writing up science investigation on materials

- Revisit instruction writing features.
- Use of formal language.

Write a letter of response to 'Chang' regarding best materials for paint brush.

PE

Mondays (taught by Mr Myers) Drbbling, Kicking and Hitting.

Fridays—(Taught by Elite Youths Sports) Ball Skills.

- Show continuous and controlled dribbling with hands and feet, bat or stick and know how to change speed and direction.
- Understand and demonstrate striking, passing and receiving with a partner using a range of equipment.
- Identify and use simple attacking and defending strategies.
