## Whole School Information

Spring has come around very quickly and I can hardly believe it's March today. Here are a few updates / reminders.

### Water Bottles

We have had some exceptionally warm weather for Spring. Many children are forgetting to bring a water bottle to school. We do have 3 water coolers for the children to use to top up their bottles. We also sell water bottles for 20p on tuck shop.

### Y6 Open Evening

We are holding an early open evening next week for Y6 parents. We have just completed a round of assessment and the teachers wanted to talk to you prior to the SATs in May. This will help you to support your child in a more focused way.

### Late Arrivals

We have noticed that there are several children arriving at school late in a morning. This is not a good start for the children and they miss quite a bit of their learning. School starts at 8:50 a.m.

### Football Team

We are pleased to announce that we are 3rd in the Rotherham School League at the moment. Well done children and Mr Roscamp .

### PE Kits

We have quite a few children who are not bringing or forgetting their PE kit on a regular basis. Some children bring their kit in a bag and leave it on their peg for the week and it is therefore always available.

### Momo

As you are aware some websites have been breached and children can access the Momo clip. I haven't addressed this in assembly as I felt it was better dealt with at home by yourselves. We have told children that if they do see it then they must report it to you.

Thank you  
Mrs. Bartholomew
