Photograph / Video Permission

Dear Parents,

From time to time during their time at Our Lady's children will have their photograph taken. This may be as part of their topic work, a sporting event or for some special achievement. The photographs will be used for display purposes and as evidence of work carried out. Occasionally pupils have their photographs taken for newspapers (e.g. Wigan Reporter, Wigan Observer). Photographs that are to be put on the school web site will be of groups of children. In addition, there may be times when children are videoed (e.g. during nativity plays).

We would like to receive your permission for the above as we believe that they are all a vital part of your child's education. Could you, therefore, please sign and return the permission slip below.

Yours sincerely,

Mrs. R. Keating
Headteacher
