Visit / Walk Permission

Dear Parents,

There are occasions during the school year, when as part of their curriculum studies, classes / groups need to leave the school premises for walks or visits not requiring transport – such as visits to the park, surveys of local amenities. Such walks or visits always take place during school hours, and are always adequately supervised. Even though there are no costs involved, we do need your permission before such occasions.

It would help the school administration system and the environment if you could complete the form below giving permission for your child to participate in any such visits during the school year 2018/19 and 2019/20. We would then not have to send out separate letter asking for permission on individual occasions during the year, but would obviously let you know on such events.

Thank you for your co-operation.

Yours sincerely

D. Winstanley
