AoB:

Create a quiet outside area - *We are currently looking at how we can develop our outside space. A quiet area is a good idea.*

Goals on front playground in winter - *We need to look at levels of supervision. If there aren't enough adults, we can't split on to two play areas.*

Can we bring spare shoes? *You should be wearing sensible black school shoes, so could bring some trainers for outdoor play if it is wet/muddy.*

Adults to stick to football rota (Mon - y6, Tues - y5, Wed - y4, Thur- y3, Fri - R,1,2)

The fence at front of school should be higher - *It doesn't really make much difference. If someone wants to get in/out, they will climb whatever height the fence.*

Hot Chocolate Friday complaints - 100% deserve rewards - *100% attendance does have rewards - half termly certificates and raffle. We are going to include Excellent attendance from this half term, so if you miss ½ day you can still get a certificate.*
