Last day of Term 4.
School closes at the usual
time of 3pm.

Monday 29th April

Back to school for
Summer Term 5.

Friday 3rd May 1.30pm

May Celebrations.

Forthcoming Celebrations

Easter

Children may if they wish bring a decorated hat to school to wear for our Easter Bonnet Parade on Thursday 11th April. We plan to leave from the playground at approximately 2.30 pm and hope that lots of families, including younger siblings, will come to join us. The actual route the parade takes will as usual depend largely upon the weather; some sunshine would be really nice, but we shall have to wait and see!

We will of course also be marking this key event in the Christian calendar through our daily acts of Collective Worship in school.

May Day

May Day celebrations will take place on Friday 3rd May. On this day, children are invited to bring a decorated maypole to school if they wish. Parents, carers and relatives are invited to join us at 1:30 pm for celebrations which will begin with the crowning of the May Queen, followed by maypole dancing from Miss Read's class. The school will then proceed around the village on its annual maypole procession. We hope to see you there!

Keeping Children Safe

Teaching the children about internet safety is an ongoing, robust and very well-embedded part of our school curriculum which links with government measures to help keep children safe online.

We constantly strive to keep children aware of exactly what to do to keep themselves safe, but do expect parents to reinforce this and take responsibility for managing their own child's online usage at home. To support parents with this, there is comprehensive content available to download from the Safeguarding page of our web site at:

www.netherseal.derbyshire.sch.uk/school-information/safeguarding

NSPCC Speak Out, Stay Safe – Wednesday 20th March

Additionally, as part of our ongoing in-school work about keeping children safe, the NSPCC will be visiting our school to work with all children in the form of assemblies, plus a workshop for Class 1.

The NSPCC have also offered to host a free online safety parent workshop between 2.30 pm and 3.30 pm on the above date. This session is designed to help parents to become more aware of the safety messages that their children receive in school, in order to support them in reinforcing these within the home environment.

However, the NSPCC will only go ahead with this workshop provided we can demonstrate sufficient interest from parents. **If you have not already done so, please therefore complete and return the Online Safety Parent Workshop slip if you hope to be able to attend. Thank you.**

No Nuts Please!

Since we have children with severe nut allergies in school, nuts or nut-based products must not be brought in as part of packed lunches. Thank you.

Have you seen ...

The latest photographs on our web site? Teachers regularly update the photographs on their own classroom pages, so keep checking back to keep abreast of what each class has been up to!

Diary Dates

Monday 6th May

Bank Holiday - school closed.

Friday 10th May

Class & group photographs.

Week beginning 13th May
