

# Year 3/4 homework Spring term 2019

This term, we are going to have a maths focus. Think about how much maths you do in a day! Choose one of the ideas or think of your own. Display your work in your own way.

You are also expected to read at least 3/4 times each week to an adult and get your reading diary signed. You are also expected to practise your number facts on a regular basis as well as your times tables.

## How much maths have you completed today?

Have you followed a recipe?

What did you measure out?

How long did it take to bake?

How many numbers have you seen today?

How many numbers on your street?

How many numbers are there in your house?

Did you do a survey?

Did you count the birds or find out how many cars went past your house? Present your ideas in a graph.

Have you played a game?

What maths was involved?

Did you need to count, add, subtract or solve problems?

Did you go shopping today?

What did you buy? How much did it cost? Did you get a discount? How much change did you get?

Did you go on a journey?

Did you have to read a timetable?

Did you travel in miles/kilometres?

What were the directions?
