Reception Parent Survey

Dear Parents,

Attached are the outcomes of the reception parent survey undertaken before half term. Many thanks to all those who responded as your views have helped us understand the transition process from the parental view in more detail.

As you can see approximately 50% of families responded. It was great to see that 100% of responses indicated children have settled well and that parents would recommend our school to friends and family.

We have noted that there are differing opinions on the need for and length of the staggered start and the teacher meetings in the first few weeks. We would like to gain more information about this topic as well as ideas on how we could improve communication with the class teacher and the type and format of information shared before starting school.

I would like to hold a parent forum meeting on **Monday 18th March at 2.15pm until 3.15pm** (*we will finish before pick up*).

If you are able to attend this meeting please can you indicate on the slip below. Should more than eight parents respond we will invite parents on a first come, first served basis.

Thank you once again for your contributions to this survey.

Kind regards

Lindsey Walsh
