Nursery Information and Homework

Literacy

In Literacy this week we have been learning how to order food in our new Chinese restaurant role play area and how to take an order in the takeaway. The children have also been learning the names of different farm animals and the names of different animals and their babies, such as cat and kitten, butterfly and caterpillar and cow and calf. We have introduced the sound 'e' as the sound of the week.

Maths

Our Maths this week has continued to focus on the concept of patterns. They have mainly looked at different colours and had a go at following a simple alternating two colour pattern such as red, yellow, red, yellow etc.

Topic

We have turned our role play area into a Chinese restaurant and takeaway this week in preparation for Chinese New Year on 5th February. The children have been trying to use chopsticks, taking orders off our new 'Orchard Palace' menu and trying Chinese tea.

Snack Time Vote

Following our snack time vote last week, the children have all tried crumpets with butter and jam. They all had a go at spreading the butter and the jam and most of them really enjoyed the eating part! Check out the photos on the next page...

Have a lovely week!

Mrs Hudson and Miss Benham
