

Wednesday 9th January 2019

Nursery Information and Homework

Literacy

This week has been all about settling back into our routines and getting to know the new children in the class. As such, we have been recapping all the sounds we have learnt so far and reminding ourselves of some of the morning songs we sing in class using our Makaton signs.

Maths

The children have been making their own choices in regard to maths resources this week and we have been singing lots of counting songs when on the carpet for group times.

Topic

We will be starting our new topic properly next week, so that all the children have all of their usual sessions. We have introduced a new pet shop and grooming parlour in the role play area, which has been quite a hit with the children. They have really been enjoying brushing the different animals and thinking about how we can look after them.

Our new topic will be 'All Around the World'.

Reception Places

If your child is due to start in Reception in September, you will need to apply for their school place online by January 15th. Please see the school office if you have any questions.

Have a great week!

Mrs Hudson and Miss Benham
