Dear Parent/Carer,

On Wednesday 20th to Friday 22nd March there will an opportunity for Year 5 children to continue the bicycle safety coaching they started in Year 4.

The coaching will be over 3 days and will start on Wednesday 20th March during school time. The children will need to bring their bike to school with them on Wednesday to Friday with a lock if possible to help keep it safe.

If your child does not have a bike it may be possible for them to use somebody else's bike and we will try to organise this as best we can. We may ask your child to share their bike with someone else to help this work. If this is a problem please speak to your child's teacher.

Your child's bike has to be in good condition and they also need to bring their helmet if they have one. Please supervise your child into school on their bike until they have had their safety training at which point they will be allowed to come to school on their bike.

We will confirm which days your child will need to bring their bike, lock and helmet as they will not need them for the whole 4 days.

Thankyou.

Year 5 Team.
