

YEAR 6

ENGLISH

This half term we will be learning how to **persuade** our readers through writing a speech.

We will be practising how to:

- Develop an introduction and conclusion using all of the argument features;
- Develop paragraphs so that information is prioritised;
- Use emotive language to engage the reader.

¡Hola Mexico!

MATHS

This half term, we will continue to practise our times tables and our mental arithmetic. We will also develop our understanding of maths through the use of equipment, pictures and problem solving. We will be learning about:

- Perimeter, area and volume;
- Converting units of measure.

COMPUTING

We will be learning how to become web developers.

PSHE

We will be learning about how to stay healthy.

FRENCH

We will be learning how to talk about a school trip in French.

RE

We will be learning about the Hindu festival of Humba Mela.

Spring 2—Geography

Welcome to Mexico! Get ready to explore this unique country, from its towering temples and stunning geography to its pulsing rhythms and fun-packed festivals.

Use maps, atlases and globes to locate the Chihuahua desert and learn all about the plant and animal species found there.

Discover the mysterious world of the ancient Maya civilisation—just try to keep your head!

PE

6W Monday (Outdoors)

6CH Thursday (Indoors)

6W Wednesday (Indoors)

6CH Tuesday (Outdoors)

PPA

Mrs. Morris will teach each class for half a day each week.

Our class text this half term is: '**Holes**' by Louis Sachar.

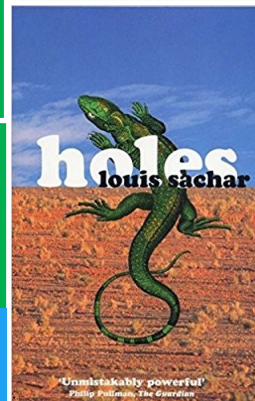

Who are the main characters?

Where is the story set?

What has happened so far?

What might happen next?

What new words have you learnt?

Please listen to children read for **at least 10 minutes each night** and sign their planners.

Maths homework:

Out: Friday

In: Wednesday

Princethorpe Junior School
Year 6

@PrincethorpeJun

Being the best that we can be in a safe, happy and successful learning environment.
