Dear Parent /Carer,

Re: Health Education – Coram Life Bus Visit

As part of our health education curriculum, we have arranged for the Life Education Mobile Classroom to visit the school again next week from Monday 11th March to Friday 15th March.

The classroom has been purchased and is run by Coram Life Education, which is a registered charity.

This is an annual visit which provides progressive lessons, teaching the children about the importance of their bodies and how to take care of them. From the ages of 7/8 they will be shown how their bodies could be harmed by the misuse of drugs and other substances.

There will be a special short 25 minute session for Parents / Carers on **Tuesday 12th March at 9am** and I hope that you will be able to attend the session to find out what your child is learning.

Yours faithfully,

Karen Kondo
