

**Hope Class**

Your home learning for each term is YOUR CHOICE! You will be given 3 weekly activities that **must** be done. You also have 4 further activities to choose from below and you will need to complete at least 2 of these activities over the term. If you think of something different to those that are listed, check with your teacher and you could do that instead! It is entirely up to you how you present your work but please try to do a variety of tasks. Any weekly homework completed is due in on a **Wednesday**.

<p><b>Must do activities (weekly)</b></p>	<p><b>1. Reading x3 per week :</b> Remember to record all reading in your yellow book</p>	<p><b>2. <p><b>Could do activities (during the term)</b></p>	<p>Write an adventure story set around a volcanic eruption / Pompeii. Think about the setting, the series of events and the characters.</p>  <p><b>Challenge:</b> Use a thesaurus to improve your vocabulary.</p>	<p>Create a board game / top trumps game based on our topic.</p>  <p><b>Challenge:</b> Can you include real life facts about different volcanoes, researched on the internet?</p>
	<p>Create a 3D model of a volcano.</p>  <p><b>Challenge:</b> Can you add labels and explanations about how it works?</p>	<p>Investigate the work of Margaret Godfrey. She created some beautiful pieces based on volcanoes.</p> <p>Use her work to inspire your own creation.</p>  <p><b>Challenge:</b> Can you use different media? (e.g. pastels, watercolours, collage)</p>

**TOP TIP!** Most of these projects may take a few goes before they are finished - that's normal. Plan out what you want to do before you start, chat through your ideas with someone else if you want to **but the end result must be your own work.**

Take your time, redraft if you need to. Produce your best work and have fun!
