## **Fairtrade Fair**

We will end our Fairtrade work with a Fairtrade Fair on Friday 8th March at 2.30pm. Each class will be making/organising an activity that they will be selling in the hall from 2.30pm. Please come along to find out more about what we have been learning, taste some delicious Fairtrade products and win prizes. All money raised will go to the Fairtrade Foundation.

## **Internet Safety**

Please can all parents be vigilant and check what their children are doing on line. When some children are playing against each other on gaming consoles they are using inappropriate language and are not being kind to each other. These incidents are being brought into school and school staff are having to deal with them. Please remind your child that they must not use inappropriate language and must not threaten or be unkind to each other on line or on social media.

Thank you

## **ScienceX**

A free, interactive festival of exploration and experiments and a great chance for kids to discover the fun behind science and engineering is taking place at the Trafford Centre on 9th and 10th March.
