## AUTISM AWARENESS DAY

MIDDLESEX SUITE, CIVIC CENTRE, HIGH STREET, UXBRIDGE, UB8 1UW

ON TUESDAY 2ND APRIL 2019  
11AM - 2PM 6PM - 9PM

We are inviting you to join us to exhibit the services you provide for autistic people of all ages, living in Hillingdon. This is a free opportunity to market your services at Hillingdon's largest ever Autism event, showcasing local providers to parents, carers and autistic people seeking support. We hope that this event will also bring together local professionals to encourage greater collaboration, partnership and sharing of best practice.

The event will also feature speakers, including a live Lego Therapy demonstration and an opportunity to share inspiring stories of local autistic people living in Hillingdon. Light refreshments will be available.

Further details to follow in February
