Dear Parents

### **Staying Safe Online**

We are very aware of the current media attention regarding children's safety on line.

In light of this, please be reassured that we have increased our e-safety talks with children where appropriate. Our annual e-safety day was held at the beginning of February so the messages should be fresh in children's minds.

In response to stories currently in the press we will reinforce:

- It is made up
- It is not true
- Tell an adult
- Block it & shut it down
- Do not gossip & encourage others to look

If you feel you would like support with this issue at home, a really good website to look at is [www.nationalonlinesafety.com](http://www.nationalonlinesafety.com). Alternatively please come and chat to a member of staff.

Yours sincerely

**Mrs S Wallis**  
**Lead Teacher**
