

Athletics

On Tuesday 29th January, a selection of year 6 children attended the annual indoor Athletics competition. St John's once again came second after a closely fought contest between us and Gateway.

St John's usually leads the way by half time on the field events, however it was Gateway that took the early lead.

Going into the track event, Gateway looked very confident as they usually win running events but it was St John's that won the track events after some incredible team and solo performances.

The damage however had already been done and Gateway finished 10 points ahead. Once again, second but the team has continued to work hard in preparation for the summer events.

Netball Term

A great but very cold netball term as we battled rain, ice and snow but again the children played on in preparation for their intra-competition at the end of term.

Congratulations to Walnut Class, the intra netball champions.

Walnut	19	3	Willow
Sycamore	10	4	Maple
Holly	17	10	Silver Birch
Rowan	13	16	Cedar

County Hockey

On Tuesday 6th February, St John's U11 Hockey team took part in the West Oxfordshire County Finals after winning in the district competition.

As expected, the competition was tough with the best 8 teams in West Oxfordshire competing for the top spot and progression to the School Games final. St John's were unlucky in the first game against Bampton with a 1-0 defeat.

The second was much better, with goals from Reuben Owen as they won 2-0.

0-0 draws against The Blake and Kingham thanks to heroics from keeper Reuben Pratley kept us in the running.

However, back to back defeats against favourites Bladon and Aston sealed 4th place for St John's.

This makes us 4th in West Oxfordshire for U11 Hockey, the highest we've ever come in a county hockey competition. Well done to the team and thank you for all the parent support as always. An incredible hockey season.

Football Term

This term years 2 to 6 will be taught football and will return to the field.

We recommend suitable footwear for the field.
Trainers, football boots (No metal studs)

Please provide your child with a bag to take muddy trainers/boots home in.

If children would like to wear shin pads this is okay and recommended however will not result in your child not taking part if they don't have them.

PE Kit Reminder

In order to participate fully in PE lessons - a compulsory subject under the national curriculum, pupils should have their kits in school during the week. Please make sure children also have suitable footwear and for colder days tracksuit bottoms and tops are recommended.

Forthcoming Events

U11 Netball
Wednesday 27th February

U11 Football
Wednesday 13th March

U11 Rugby
Wednesday 27th March

KS1 Cricket Event
Thursday 28th March
