Issue 20

8th March 2019

This week at Walsgrave...

World Book Day 2019

On Thursday, the children had an absolute blast as they came into school for World Book Day in their favourite book character costumes. The day started with Mr. Deakin leading a 'Generation Game' style quiz on fairy tales. Eight members of staff took place in Catch-Phrase, Guess the Fairly Tale and a drama retelling of the famous story of Goldilocks and the

Three Bears. During the day, the children took part in a range of activities. Years R - 2 continued the theme of Goldilocks by immersing themselves in the story through drama and role-play. Years 3 - 6 looked at alternate versions of traditional stories. At the end of today, the children will all be given a £1 gift voucher towards their next book purchase. Walsgrave will also be hosting a Scholastic Book Fair from Thursday 14th until Tuesday 19th of March. Mr. Deakin is thoroughly looking forward to seeing lots of children and parent/carers at the book sale. (As you can see from the photos to the right, Mr. Sowerby obviously thoroughly enjoyed his World Book Day!)

Welcome!

It is with great pleasure that I welcome two people to the Walsgrave family this week. Firstly, Mrs. Maxine Robinson who has joined us from Alderman Farm as teaching assistant in Year 4. She has settled so well into life at Walsgrave and really got to know the children in Year 4! Secondly, we had news through on Tuesday that Mrs. Freckleton had given birth to a baby boy - Joshua. Congratulations

to the family - we can't wait to meet him!

And finally... a huge thank you to Alison Cope who talked to Year 5 and 6 children about keeping themselves safe as they become increasingly independent young people. A very touching first-hand experience of life with her children.

Rob Darling

All week - Assessment & Moderation Week including IEP assessments
21.3.19 - Year 1 Morning of Music
22.3.19 - Merit Assembly

Parents Evening Organisation

On Wednesday (Tuesday if you are in RC) we will be holding our spring term parents' evening. You will be able to look through your children's books with English, Maths and Theme, from the autumn and the spring, being put out.

Sharing your children's books is a little more complicated than before as a result of GDPR regulations.

Some of our TAs will be at Parents' Evening to hand out and collect in your children's books:

- Upper School Hall - Years 3 - 6
- Lower School Hall - Years 1 & 2

We look forward to seeing you next week!

Forest School & Our PTA

Mrs. Williams and all the children who make use of the Forest School would like to say a huge 'thank you' to the PTA and you, for donating some lovely shiny new equipment to support the work the children do in our outdoor areas. The water proof jackets are such a benefit as it allows the children to go out in all weathers, keeping them nice and warm.

THANK YOU! ☺

Practical Science in Year 5

At the end of last week, the children in Year 5 had a busy afternoon investigating air resistance. The children created their own parachutes and tested them on the KS2 playground. What do you think they found out?
