
Newsletter – Friday 8th March 2019

Kempston Rural Primary School

Dear Parents

Parent Consultations take place on the 26th and 27th March. A link to book an appointment to meet with class teachers has been sent out via our text messaging service. If you have not received this message please contact the School Office.

It is fantastic to see our class attendance almost all in the Green Zone. Thank you and please keep it up.

Mrs A Stanbridge - Head Teacher

Breakfast & After School Fun Club/Friday After School Care Bookings:

Please note the booking system for the above will open on **Monday 11th March at Midday**. Whilst the Breakfast and After School Fun Club booking will remain open throughout the term, the Friday After School Care booking will close on **Monday 1st April at 9:00am**.

If you wish to check what you have booked please look at your Club History.

Red Nose Day:

I am writing to let you know that on Friday 15th March our school will be joining in with schools and organisations across the country to raise money for Comic Relief. On the day children can bring in their red nose and wear them in the playground and for a donation of your choosing, children will be able to buy a drink and a biscuit.

We do ask that you talk to your child about looking after their red nose as we cannot guarantee we will be able to re-unite children with any lost red noses.

Comic Relief fund some incredible projects in the UK and Africa that have found effective ways to tackle poverty and injustice.

We are looking forward to having a fantastic day and thank you for your support in advance.

Parent Drop-in Sessions:

We kindly ask you to only visit one child per drop-in session as parents walking around the school provides a safeguarding risk to the children. If you have more than one child in school please attend a different drop-in session on another date.

Whilst it is lovely to see so many parents at these sessions, teachers have commented on the amount of younger siblings is making the sessions tricky to manage. Please make alternative arrangements for younger siblings so you can really enjoy the time looking at your child's work.

Many thanks for your support in this matter.
