

As Historians we might:

Create a powerpoint, poster, leaflet or information text about any aspect of Anglo Saxon History.

Research it and share your findings with the class.

As Scientists we might:

Plant and grow some seeds. Measure their progress and keep a photo diary.

As Musicians we might:

Create a song or chant to help the Saxons row or go into battle.

As ICT technicians we might:

Use Purple Mash to create a game inspired by the Anglo Saxons

As Athletes we might:

Practise your super skills and show

Choose any of the options to complete for homework or come up with one of your own.

Saxon Raiders

As Mathematicians we might:

Use area and perimeter skills to design an Anglo Saxon settlement.

Create a Saxon treasure map

As Writers we might:

Write our own Monster poem.
Create an Anglo Saxon Time travel story.

Due in by: 17th May 2019

As Designers we might:

Make a model of a Saxon home or a boat.
Make a clay pot.

As Geographers we might:

Investigate the names of places in North Yorkshire which have been derived from Anglo Saxon words.
Create a map showing some of these places.

As Readers we might:

Learn and perform part of the epic Saxon poem of Beowulf.

Research the past times of Saxons and create a power-point.

As Artists we might:

Create an item of Anglo Saxon Jewellery, such as a brooch.
Research illuminated letters and create one for your initial.
Draw and label a picture of a Saxon warrior.
